There's as much difference between plumbing and SANITARY PLUMBING as there is between daylight and darkness.

Anyone can put a lot of pipes together and run them off anywhere, but with Honolulu's surface sewerage the essential point is to have the plumbing done in a way that makes the Sanitary conditions perfect.

## NEW OATH TO TAKE

Obligation Administered to Lawyer Coming in.

Pledge to the United States and Hawaii—The Circuit Court—Land Case Still on—Kauai Term.

James Leslie Coke and John D. Willard have been admitted to practice law in the Hawaiian Islands. Mr. Coke claims the honor of being the first man to take the new lawyer's oath, which is as follows:

"I do solemnly swear that I will support the Constitution and Laws of the United States of America and the Constitution and Laws of the Hawaiian Islands, and faithfully discharge the duties of Attorney, Counsellor, Solicitor and Proctor in the courts of Hawaii to the best of my ability."

In the matter of J. S. Antone vs. W. R. Castle, defendant has been allowed five days from Sept. 6 within which to demur, answer or plead. Magoon and Sillman for plaintiff; Weaver for defendant.

The Lucas-Perry land case was still on before Judge Stanley yesterday and will likely hold the jury until Thursday afternoon. This is the second week of this hearing and the case has blocked nearly all other business.

The September term of the Fifth Circuit Court will convene at Lihue, Kauai, this morning. Judge Hardy will preside. A number of local attorneys left yesterday for Lihue to be present at the opening. Among the matters of local interest to come up will be the libel suit of A. Thielens against the Independent.

## ANOTHER MEMORIAL.

Chamber of Commerce Will Send One to the Commission.

At a meeting of the Chamber of Commerce held yesterday morning the memorial for the Commission, as prepared by the special Chamber committee, was adopted. B. F. Dillingham was appointed a committee of one to present the memorial. It is understood that the document deals with plantation labor and commerce regulations.

It was decided to give a reception to the Commission, if time and other arrangements would permit. The commissioners will be asked to set a date for the affair. J. B. Atherton presided at the meeting and James G. Spencer officiated as secretary.

## LOCAL BREVITIES.

It is a twelve-room school house that Palama is to have without delay.

A party of officers on the Scandia paid a visit to Pearl City and Ewa yesterday.

Dentist Robt. I. Moore will now establish himself in the Sullivan cottage on Hotel street.

Nigel Jackson will drive the hurry-up wagon of the police department when it arrives from the Coast.

Nalel, for selling liquor without license, and one man for drunkenness, were all the arrests made by the police last night.

J. Lightfoot, principal, announces that the night school will reopen in the Fort street school house next Monday evening.

The band had a large audience for the concert complimentary to Gen. Merriam given at the Hawaiian hotel last evening.

Several new cottages are being erected on the old Dimond place at Wai-iki, to be used for beach purposes by the Hawaiian hotel.

## Aloha Aina Convention.

The convention of the Aloha Aina Society will be held on Monday. Its purpose will be to consider a memorial to be sent to the Commission. Delegates from all the islands of the group will be present. The ideas of the convention will be available to the Hawaiian National League. It is the desire of both factions that the memorial shall meet the views of all the Hawaiians. Indications still seem to be, however, that these diverse wings cannot be brought together.
